Full Stack Developer

Aiming to leverage my skills in full-stack development, teamwork, and leadership to contribute to innovative projects in the software development field. Passionate about continuous learning and collaboration, I seek to bring my expertise in web technologies and problem-solving abilities to a dynamic team, helping drive impactful solutions and advancements in software development.

WORK EXPERIENCE

Pixelate **08/2024 – Present**
Junior Full-Stack Developer • Istanbul Turkey • Full-time

- Developed web applications using modern technologies HTML, CSS, SCSS JavaScript, Node.js, React.js, and Next.js and Directus CMS.

White Corner Hotel **01/2023 – 12/2023**
General Manager • Istanbul, Turkey

Dgpays **07/2022 – 08/2022**
Back-End Development Intern • Istanbul, Turkey

- Collaborated with cross-functional teams to troubleshoot and optimize RESTful web API using C#, ASP.NET Core, MSSQL, and Postman, ensuring seamless integration and functionality.

Afghan Transportation Engineering Center **01/2016 – 12/2017**
Transportation Engineer • Kabul, Afghanistan

- Traffic Structure Design and Survey Engineer

Kabul Universty **01/2015 – 12/2016**
IT Assistan • Kabul, Afghanistan

- Resolved hardware, software, and network issues of users within 24 hours, ensuring minimal downtime and smooth operations.

PROJECTS

Traveling Web Blog Project **08/2024 – 09/2024**
Pixelate – Duzce University

Classification of Brain MRI Images of Alzheimer's Patients **12/2023 – 04/2024**
Duzce University

I developed a model for diagnosing Alzheimer's disease using MRI images, enhanced with MATLAB's machine learning and deep learning

EDUCATION

Undergraduate Program in Computer Engineering

Duzce University
01/2020 – 01/2025

Bachelor of Applied Science (B.A.Sc.) in Civil Engineering, Civil Engineering

Kabul Universty
01/2014 – 12/2017

SKILLS

Language Skills

- Arabic: Intermediate – B1
- English: Advanced – C2
- Hindi: Advanced – C1
- Persian: Native – C2
- Turkish: Advanced – C2
- Uzbek: Native – C2

Software Development Skills

- C#
- C++
- CSS
- Git & GitHub
- HTML5
- Innovation and Creativity
- Java
- JavaScript
- Kotlin
- Next.js
- Node.js

libraries to analyze and classify brain scans for accurate detection of Alzheimer's disease.

Hospital Management System

12/2023 - 04/2024

Duzce University

I developed a general-purpose Hospital Management System using C# Windows Forms, .NET Framework, and MS Access to efficiently manage hospital operations, including patient records, appointments, billing, and staff management.

Instagram Clone Android Application

11/2023 - 12/2023

Duzce University

I enhanced an Instagram Clone Android application using Kotlin, incorporating features like user authentication, image posting, liking, commenting, and real-time updates, all designed for a seamless user experience and efficient data management.

Calorie Tracking Android Application

12/2022 - 04/2023

Duzce University

I enhanced a Calorie Tracking Android application using Java and SQLite, enabling users to monitor daily calorie intake, track nutrition, and set personalized fitness goals, all while ensuring efficient data management and seamless user interaction through Android Studio.

Dormitory Management System

08/2022 - 10/2022

Duzce University

I developed a Calorie Tracking Android application using Java and SQLite to help users monitor their daily calorie intake, track nutrition, and set personalized fitness goals, with Android Studio ensuring seamless user interaction and efficient data management.

- PostgreSQL
- React
- RESTfull APIs
- SCSS
- Software Development
- SQL
- Transact-SQL (T-SQL)
- TypeScript

General Skills

- AutoCAD
- Crisis Management
- Guest Service Management
- Operations Management
- Sales Management

VOLUNTEERING & LEADERSHIP

Duzce International Students Association

01/2021 - Present

Chairman • Duzce

- Lead and coordinate events for international students
- Manage communication with university administration
- Organize cultural and social activities
- Advocate for students' needs
- Collaborate with student organizations
- Mentor and guide team members
- Foster community and inclusivity
